

HAEMCON 2010
12th National Haematology Conference
HAEMATOLOGY AND TRANSFUSION MEDICINE DIVISION
The Children's Hospital & The Institute of Child Health, Lahore.

DAY 1
Tuesday 9th February, 2010

Workshop I **Molecular Haematology** 9:00am to 4:00pm

Venue: The Punjab University, Lahore

Facilitators:

- Prof. Shahida Hasnain
- Maj. Gen. Suhaib Ahmed
- Dr. Saqib Ansari

Coordinator:

- Dr. Hammad Tufail

DAY 2
Wednesday 10th February, 2010

Workshop II **Haematopathology** 9:00am to 4:00pm

Venue: Shoukat Khanum Cancer Memorial Hospital & Research Centre,
Lahore.

Facilitators:

- Dr. M. Tariq Mehmood
- Dr. Asad Hayat Ahmad
- Dr. Fauzia Shafi Khan

Coordinators:

- Dr. Amina Khan
- Dr. M. B. Khan

DAY 3
Thursday 11th February, 2010

Workshop III **Coagulation Medicine** 9:00am to 4:00pm

Venue: The Children's Hospital & The Institute of Child Health, Lahore

Facilitators:

- Dr. Tahir Shamsi
- Dr. Munira Burhani
- Arshi Naz

Coordinators:

- Dr. Nadia Sajid
- Dr. Salwa Paracha

Thursday 11th February, 2010

Workshop IV **Basic Haematology for Pathologist** 9:00am to 04:00pm

Venue: The Children's Hospital & The Institute of Child Health, Lahore

Facilitators:

- Dr. Nisar Ahmed
- Dr. Muneeza Natiq
- Dr. Rabia Nadeem
- Dr. Noureen Saeed

Coordinator:

- Dr. Irem Iqbal

Thursday 11th February, 2010

Workshop V **Bone Marrow Morphology** 9:00am to 4:00pm

Venue: King Edward Medical University (KEMU), Lahore

Facilitators:

- Prof. Samina Naeem
- Dr. Ahmad Hameed
- Dr. Humaira Rafiq
- Dr. Ambreen

Coordinator:

- Dr. Javaria Ejaz

DAY 4
Friday: 12th February, 2010

Venue: Shoukat Raza Khan Auditorium,
The Children's Hospital & The Institute of Child Health, Lahore.

Session II **Symposium on Transfusion Medicine**

Chairpersons:

- Brig. Mohammad Ayub
- Prof. Yasmeen Lodhi
- Prof. Mehfooz ur Rehman
- Dr. Saba Jamal

Moderator:

- Dr. Hasan Zaheer

Coordinator:

- Dr. Manzoor Hussain

09:00am - 09:30am Overview of blood transfusion services in Pakistan

- Brig Muhammad Ayub
CMH Malir, Karachi

09:30am - 10:00am Shortage of blood: ways and means to improve

- Dr. Muhammad Irfan
Liaqat National Hospital, Karachi

10:00am - 10:30am Evidence Based Transfusion Medicine

- Col Nuzhat Salamat
CMH, Kharian

10:30am - 10:40am

10:40am - 10:50am Question Answer

11:00am - 11:15am

Tea

Session III

**Symposium on Haematological
Malignancies**

11:15am to 12:50pm

Chairpersons:

- Prof. Shaharyar
- Dr. Misbah Masood
- Dr. Moazz Ahmad

Moderators:

- Dr. Nehal Masud

Coordinator:

- Dr. Rabia Jadoon

11:15am - 11:45am

Recent Advances in CML

Prof. Zeba Aziz
Jinnah Hospital, Lahore

11:45am - 12:05pm

Update on Management of Non
Hodgkin's Lymphoma

Dr. Neelam Siddique
Shoukat Khanum Cancer Memorial Hospital & Research
Centre, Lahore.

12:05pm - 12:25pm

Update on management of CLL.

Brig. Naeem Naqi
CMH, Lahore.

12:25pm - 12:45pm

Evaluating nilotinib efficacy in newly
diagnosed CML

- Dr. Fouzia Sammad
Consultant Oncologist,
FFH, RWP.

12:45pm - 02:50pm

Questions Answers

01:00pm - 02:00pm

Prayer, Lunch and Poster Viewing

Session IV**Free Papers**

02:00pm to 04:00pm

Chairpersons:

- Prof. Moin ud Din
- Dr. Shahida Amjad
- Prof. Fazle Raziq
- Dr. Nadeem Ikram
- Dr. Ayesha Khalid

Moderator:

Coordinator:

02:00pm - 02:20pm

Pathology of CML

Prof. Waseem Iqbal

Baqai Medical University, Karachi

02:20pm - 02:28pm

Hindiii (Intron 19) Dimorphism Analysis for Carrier
Detection of Haemophilia A In Pakistani Population

Saima Mansoor

The Children's Hospital & The Institute of Child Health,
Lahore.

02:28pm - 02:36pm

Response of Imatinib in Pediatric & Adolescent Chronic
Myeloid Leukemia. A Single Centre experience.

Muhammad Kashif

Agha Khan University, Karachi

02:36pm - 02:44pm

Beta 2 Microglobulin and Lactate Dehydrogenase 2
isoenzyme in Non-Hodgkin's Lymphoma: Clinico-
Hematological correlation

Dr. Naghmana Mazahar

Post Graduate Medical Institute, Lahore

02:44pm - 02:52pm

Inherited bleeding disorders in females

Nadeem Ikram

Rawalpindi Medical College, Rawalpindi

02:52pm - 03:00pm

Interrelation of mean platelet volume and Glycemic control
in type 2 diabetes mellitus

Dr. Seema Mazhar

Allama Iqbal Medical College, Lahore

03:00pm to 03:08pm

Molecular Screening of Hepatitis C virus in Anti HCV non
reactive Blood donor

Col Nadir Ali

AFP, Rawalpindi

02:08pm - 03:16pm

Comparative Analysis of Platelet Count and WBC Count By
Microscopy and Sysmex Kx-21

Muneeza Natiq, Fouzia Butt

Allama Iqbal Medical College, Lahore

03:16pm - 03:24pm

Relationship of White Blood Cell Counts, Hemoglobin and
ESP With IHD.

Farhana Shahzad

The Children's Hospital & The Institute of Child Health,
Lahore.

03:24pm - 03:32pm	Association Of Interleukin 6 Poly Morphism With Cardiovascular Disease In Pakistani Families Huymayun Shafiq Armed Forces Bone Marrow Transplantation Centre, Rawalpindi
03:32pm - 03:40pm	Significance of Bone Marrow Biopsy In Staging and Frequency of Infiltration In Different Histological Types of Hodgkin's Lymphoma Ayisha Hamid King Edward Medical University, Lahore.
3.40pm - 03.48pm	Frequency of von will ebrand disease in clinically suspected patients: A single center study. Dr. Samina Amanat PAEC General Hospital, Islamabad.
3.48pm - 03.54pm	
04:00pm - 04:15pm	Questions Answers
04:15pm - 04:50pm	Tea, Prayer
05:00pm - 05:15pm	General Body Meeting of PSH
05:15pm - 05:30pm	Thalassemia registry

Session V

Corporate Session

Chairpersons:

- Prof. Khalid Hassan
- Dr. Khalid Zafar hashmi
- Brig. Pervez Ahmed

Moderator:

- Dr. Muhammad Nadeem

Coordinator:

- Dr. Amber Atif Khan

08:00pm - 09:30pm

Brainnite fastest finger first for Doctors

09:00pm

Gala Dinner

DAY 5
Saturday: 13th February, 2010

Venue: Shoukat Raza Khan Auditorium,
The Children's Hospital & The Institute of Child Health, Lahore.

Session VI

Meet the Experts

Facilitators:

- Prof. samina Naeem
- Brig Muhammad Ayub
- Prof. Fazle Raziq
- Dr. Tahir Shamsi
- Dr. Saba Jamal
- Dr. Salman Adil
- Dr. Nisar Ahmed

08:00am - 09:00am

FCPS Post Graduate Examination

09:00am - 09:30pm

Breakfast

Session VII

Symposium on Haemoglobinopathies

Chairpersons:

- General Masud Ahmad
- Prof. Fozia Butt
- Prof. Tahira Zafar

Moderator:

- Dr. Bushra Moiz

Coordinator:

- Dr. Salwa Paracha

09:30am - 10:00am

Thalassaemia Preventive Strategies in Pakistan

- Gen. Suhaib Ahmad
Armed Forces Institute of Pathology, Rawalpindi

10:00am - 10:15am

Management of iron overload

- Dr. Atifa Shoaib
Holy Family Hospital, Rawalpindi

10:15am - 10:30am

Role of Hydroxy Urea in Thalassemia Intermedia

- Prof. Javaria Manan
Fatima Memorial Hospital, Lahore

10:30pm - 10:45pm

Dose optimization of iron chelation

- Dr. Adil Akhtar
Sir Ganga Ram Hospital, Lahore

10:45am - 11:00am

Questions Answers

11:00am - 11:15am

Tea

Session VIII**Trainee Session**

11:15am to 01:00pm

Chairpersons:

- Prof. Samina Naeem
- Brig. Farhat Abbas Bhatti
- Dr. Saba Jamal

Moderator:

- Dr. Mona Aziz

Coordinator:

- Dr. Farhat Sadiq

11:15am - 11:23am

Thrombocytopenia associated with
Hepatitis C Viral Infection

Unaiza Qamar

King Edward Medical University, Lahore

11:23am - 11:30am

Pattern of bleeding and response to therapy in Glanzmann
thrombasthenia

Zaen Pahore

National Institute of Blood disease and Bone Marrow
Transplantation, Karachi

11:30am - 11:37am

Efficacy of oral iron chelators as a single agent or in
combination in beta thalassaemia Major

Saima Siddiqui

National Institute of Blood Diseases, Karachi, Pakistan.

11:37am - 11:44am

Efficacy of deferasirox in patients with transfusion dependent
anemias.

Muhammad Shariq

Agha Khan University, Karachi

11:44am - 11:51am

Deficiency of von Willebrand factor cleaning protease
(ADAMTS13) in pediatric patients with severe sepsis

Farheen Karim Maar

Agha Khan University, Karachi

11:51am - 11:58am

Frequency of different beta thalassaemia mutations and their
association with hematological findings

Saeed Akhtar Khan

Armed Forces Institute of Pathology, Rawalpindi

11:58am - 12:05pm

Role of Bone Marrow Registry In Bone Marrow Transplant

Hina Peter

Armed Forces Institute of Pathology, Rawalpindi

12:05pm - 12:12pm

Donor Chimerism Analysis In Patients of Haematological
Diseases After Bone Marrow Transplant

Ghassan Umair

Armed Forces Institute of Pathology, Rawalpindi

12:12pm - 12:19pm

Frequency of different beta thalassaemia mutations and their
association with haematological findings

Saeed Akhtar Khan

Armed Forces Institute of Pathology, Rawalpindi

12:19pm - 12:26pm

Platelet Aggregation in Thalassaemia

	Dr. Hammad Tufail The Children's Hospital & The Institute of Child Health, Lahore.
12:26pm - 12:33pm	Frequency of Antineurtophil Cytoplasmic Antibody In Glomerulonephritis Maria Arif University of Health Sciences, Lahore
12:33pm - 12:40pm	Platelet dysfunction in Children with Chronic Kidney Disease Stages on Hemodialysis Salwa H. Peracha The Children's Hospital & The Institute of Child Health, Lahore.
01:00pm - 02:pm	Prayer, Lunch, Poster Viewing

Session IX

Symposium on Bone Marrow Transplant

Chairpersons:

- Dr. Tahir Shamsi
- Brig Pervez Ahmed
- Dr. Salman Adil

Moderators:

- Dr. Nyla Mumtaz

Coordinator:

- Dr. Nadia Sajid

02:10pm - 02:20pm

Induced Pluripotent Stem cells. A new avenue in the regenerative medicine.

Dr. Tahir Shamsi
NIBD, Karachi

02:20pm - 02:30pm

Experience of Hundered Transplants at Agha Khan University Hospital, Karachi

Dr. Usman Sheikh,
AKUH, Karachi

02:31pm - 02:40pm

Armed Forces Bone Marrow Transplant Centre, Rawalpindi: 9 years experience

Brig. Pervez Ahmed
AF BMTC, RWP

02:40pm - 02:50pm

Challenges of Stem cell transplant in Fanconi Anemia

Brig. Tariq Mehmood Satti
CMH, Lahore.

02:50pm - 03:00pm

Outcome of Aplastic anemia patients receiving fludarabine – based conditioning for allogenic hematopoietic stemcell transplantation at AFBMTC.

Col. Qamar un Nisa Chaudhary
AFBMTC

03:00pm - 03:10pm

Peripheral blood stem cell collection by Apheresis: Experience at AFBMTC.

Major Kishwar
AFBMTC

03:10pm - 03:20pm

Safety of central venous access in patients undergoing chemotherapy and stemcell transplation for various hematological disorder. Experience at AFBMTC

Major Shamim Akhtar
AFBMTC

03:20pm - 03:45pm

Video Conference: BMT Centre,
Royal Hospital for Sick Children Glasgow, UK

Concluding Session:

- 1st best free paper will get gold medal with Rs. 10,000/- Cash
- 2nd best free paper will get silver medal with Rs. 7,000/- Cash
- 3rd best free paper will get bronze medal with Rs. 5,000/- Cash
- 1st Best Poster will get Rs. 7,000/- Cash
- 2nd Best Poster will get Rs. 5,000/- Cash
- 3rd Best Poster will get Rs. 3,000/- Cash

DAY 6
Sunday 14th February, 2010

Site Seeing

Lunch at farm house (Bedian Road) Lahore.

10:00am to 02:00pm

02:00pm to 04:00pm

DAY 7
Monday: 15th February, 2010

Workshop VI **Blood Transfusion** 09:00am to 04:00pm

Venue: The Children's Hospital & The Institute of Child Health, Lahore.

Facilitators:

- Brig. Muhammad Saleem
- Col. Nuzhat Salamat
- Dr. Muhammad Saeed

Coordinator:

- Dr. Manzoor Hussain

Workshop VII **Workshop for Medical Lab Technologist (MLT)** 09:00am to 04:00pm

Venue: The Children's Hospital & The Institute of Child Health, Lahore.

Facilitators:

- Dr. Nisar Ahmad
- Dr. Muhammad Zubair
- Mr. Khalid Mehmood
- Mr. Hassan Ijaz
- Mrs. Humaira Shahzad

Coordinator:

- Mr. Amir Gondal
- Mr. Rizwan Saif
- Mr. Nasar Iqbal

Monday: 15th February, 2010

Workshop VIII **Quality Control in Haematology Transfusion Medicine** 09:00am to 04:00pm

Venue: Shaikh Zayed Hospital, Lahore.

Facilitators:

- Prof. Moin ud Din
- Prof. Shahida Amjad Shah
- Dr. Moona Aziz
- Dr. Shahida Mohsin

Coordinator:

- Dr. Rabia Ahmed

DAY 8
Tuesday: 16th February, 2010

Workshop IX **TIF Guidelines for Management of** 09:00am to 04:00pm
Thalassaemia

Venue: The Children's Hospital & The Institute of Child Health, Lahore.

Facilitators:

- Prof. Javaria Manan
- Prof. Nadeem Samad Sheikh
- Dr. Nisar Ahmed
- Dr. Adil Akhtar

Coordinator:

- Dr. Saima Farhan
